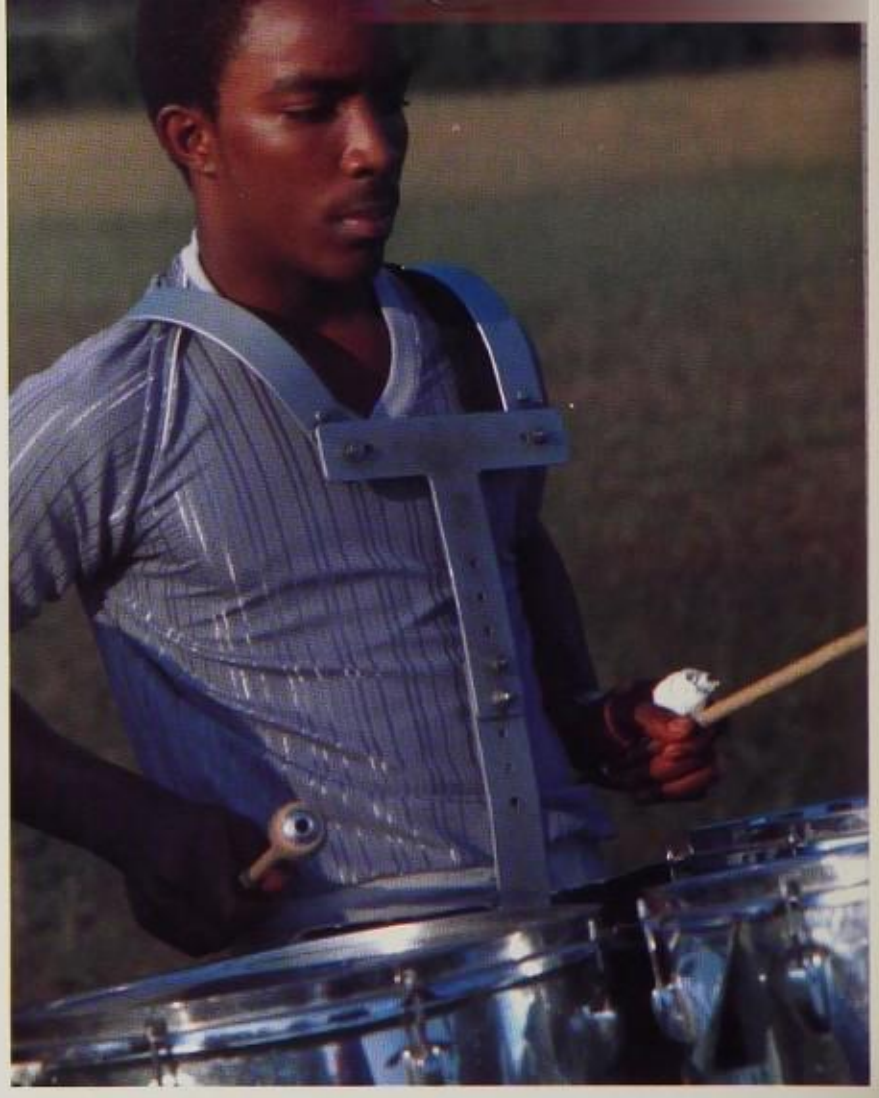
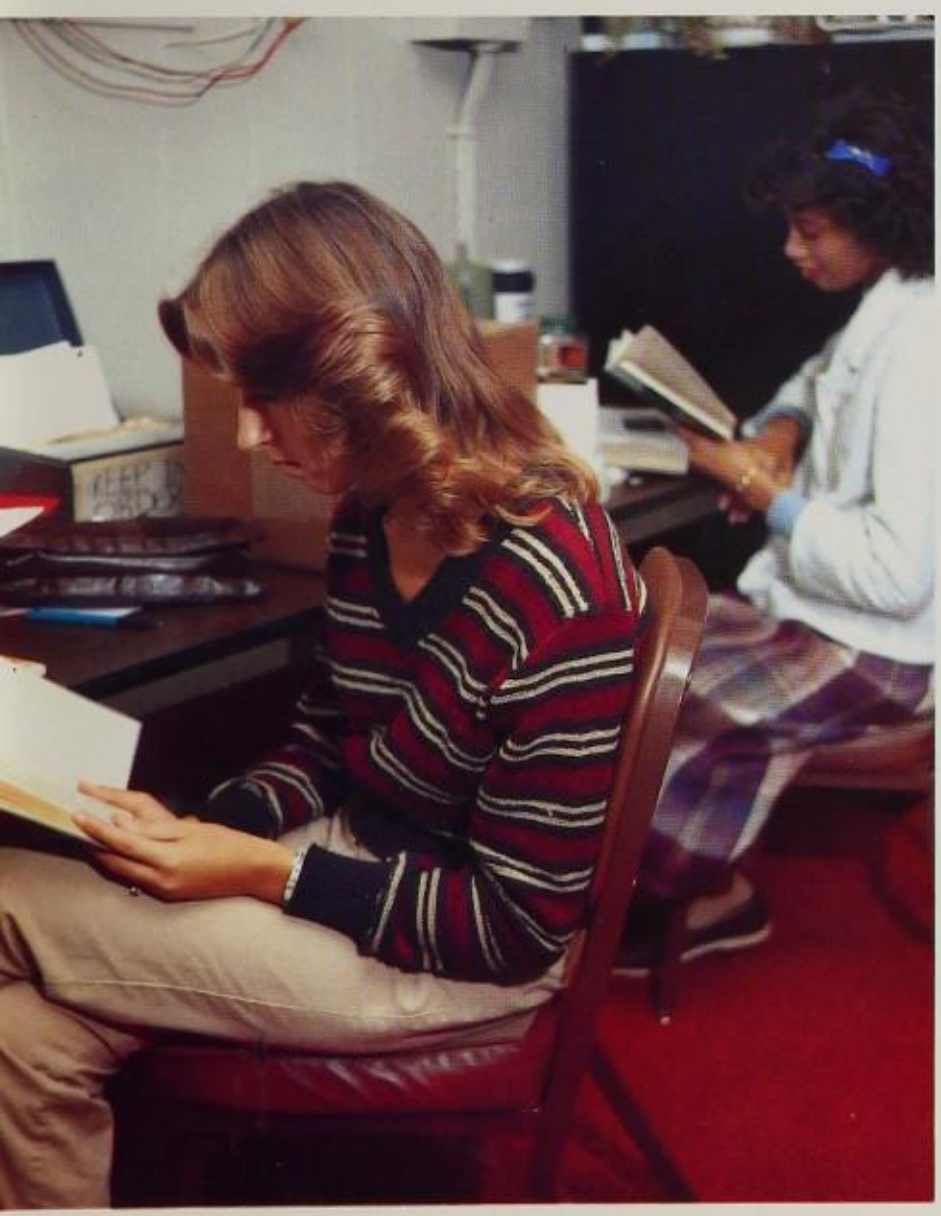
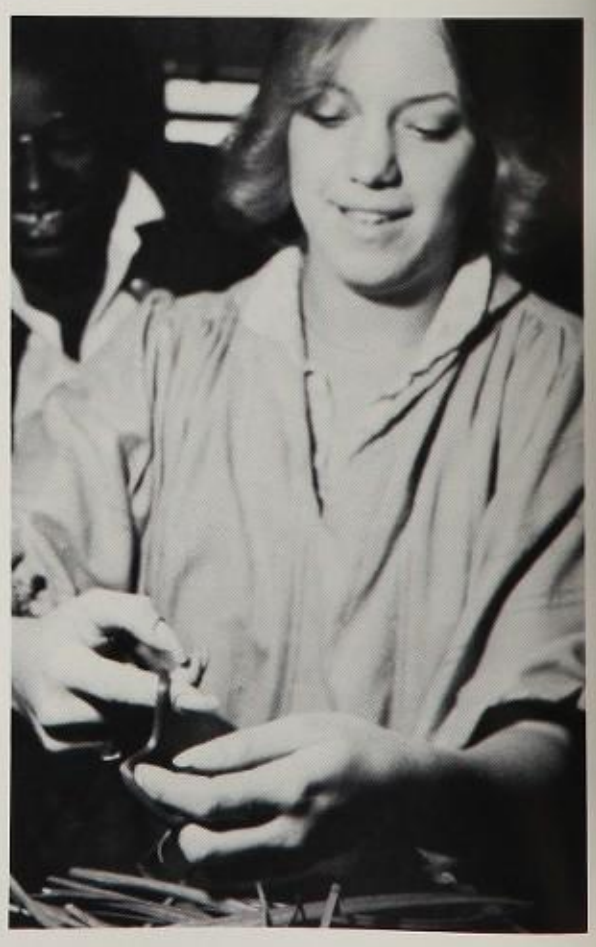
There's just something
about McAdory that
makes one feel welcome . . .
something reflective
not only of the people
but also the very walls
of the building itself . . .

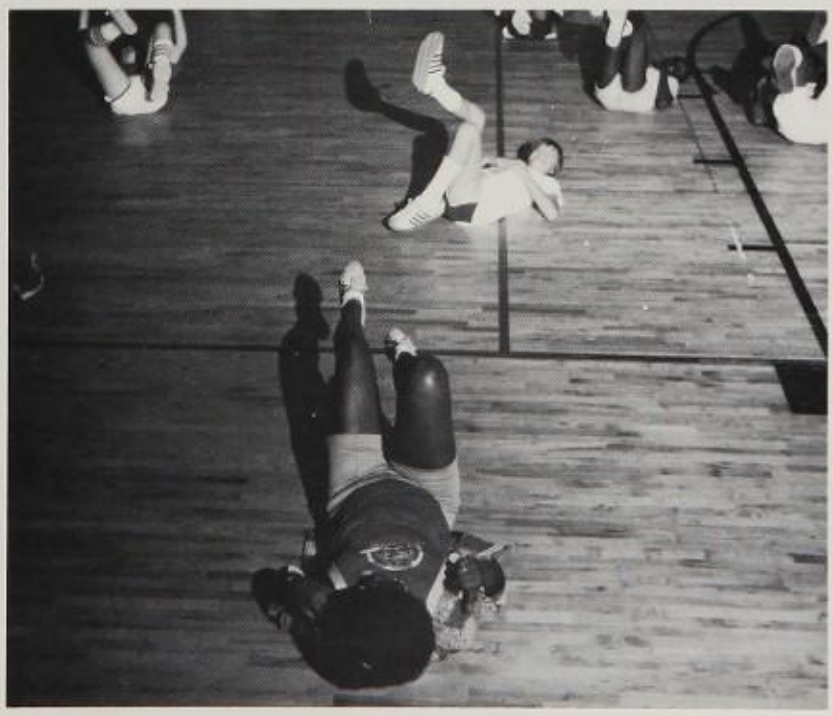


MEADORY
SCHOOL

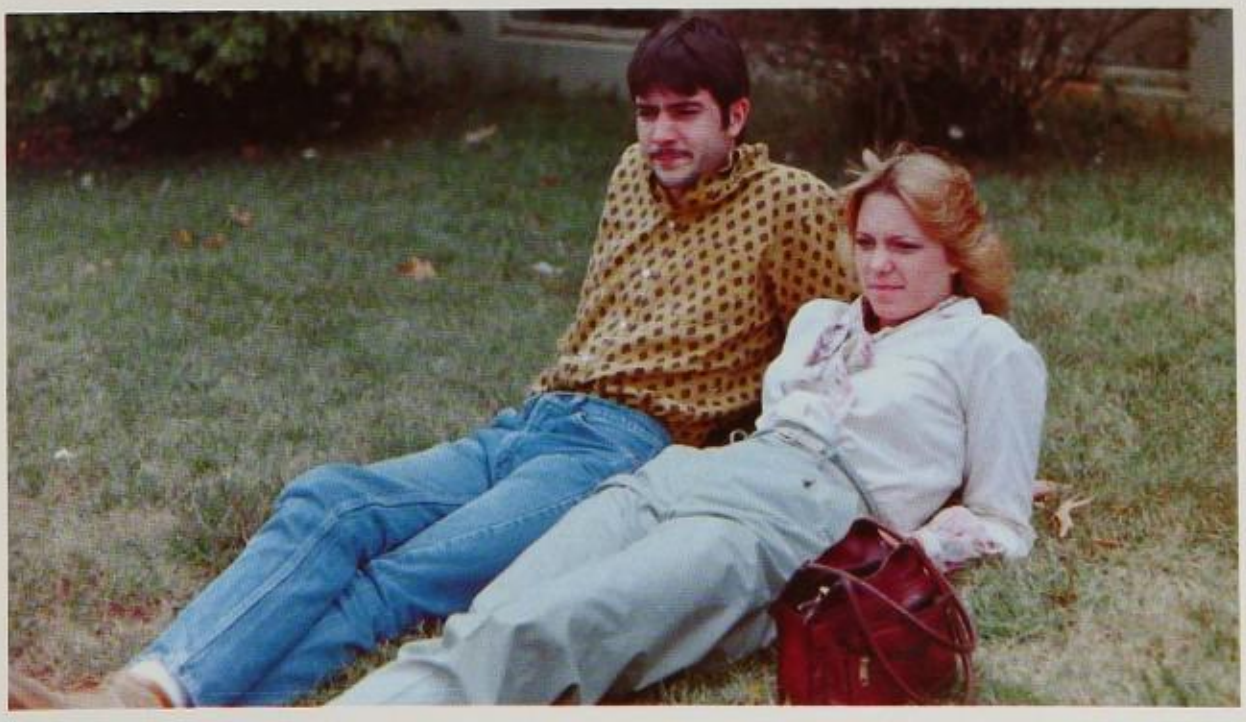


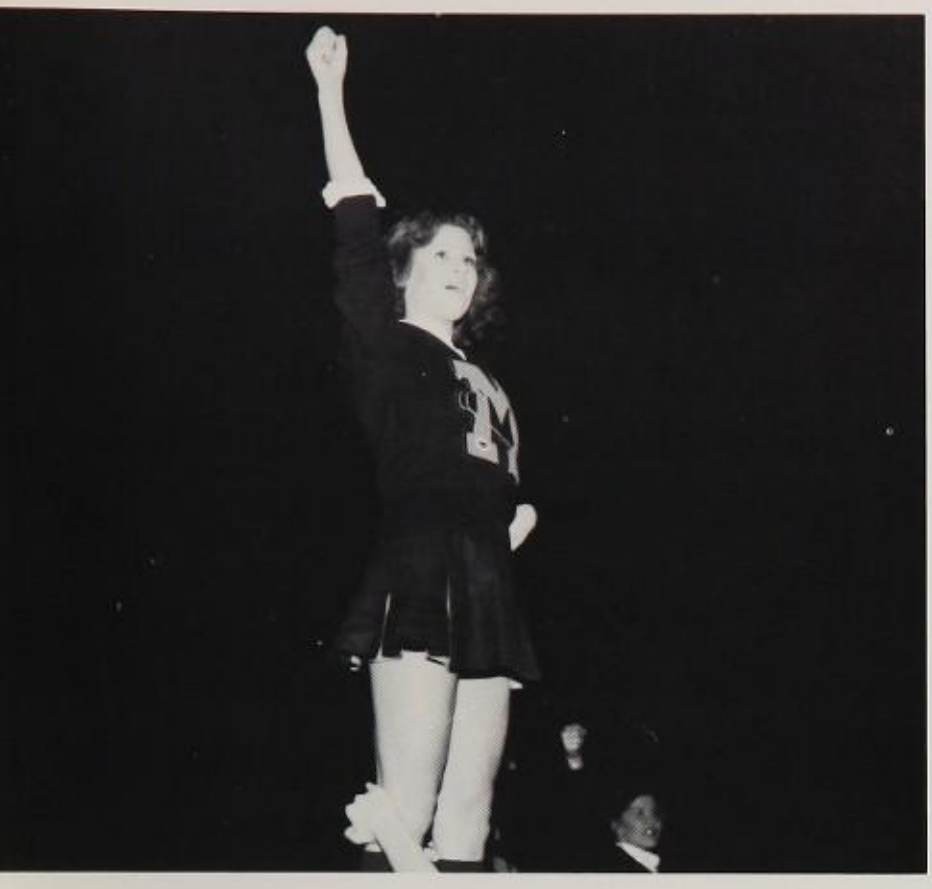


A feeling of oneness
that touches all and serves all . . .



A spirit
of togetherness
that endures
changing times . . .

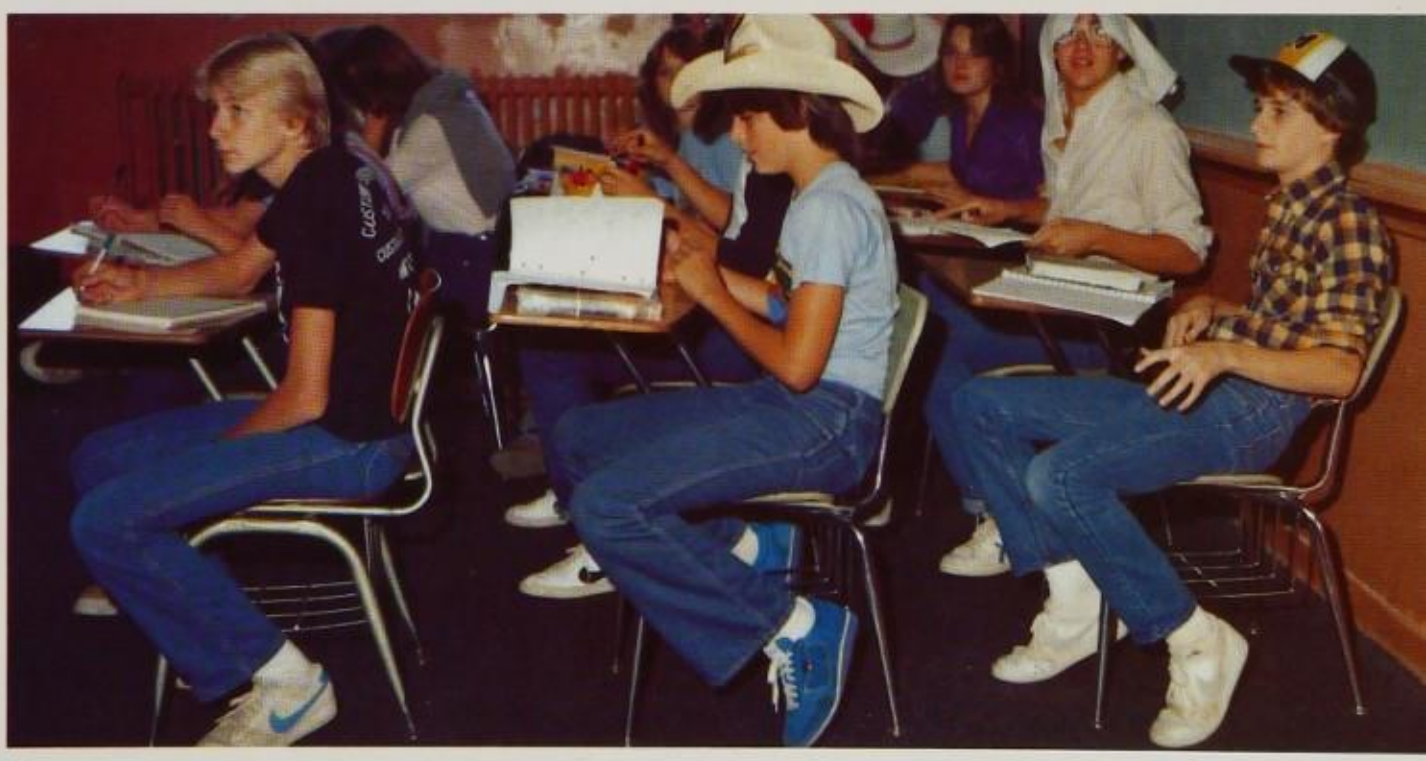




An enthusiasm and pride
that labors for the good of all . . .

A history of determination . . .
a tradition of achieving . . .

A circle of love
that unites what was
with what is and
what will be.



Lookin' around in '82 . . .

If one were looking for what was "in" in 1981-1982 at MHS, pan, brands, and cubes were it. McAdory students on any given day were often found with their tongues hanging out and their mouths watering over a delicious "Pan Pizza." Styles of dress varied from Izods and Nikes to buttondowns and Penny loafers, and designer jeans were excellent bun coverers. The biggie in entertainment (or puzzlement) was Rubiks' cube, that wonderful, yet maddening jumble of multicolored squares.

"Regulation Jam"

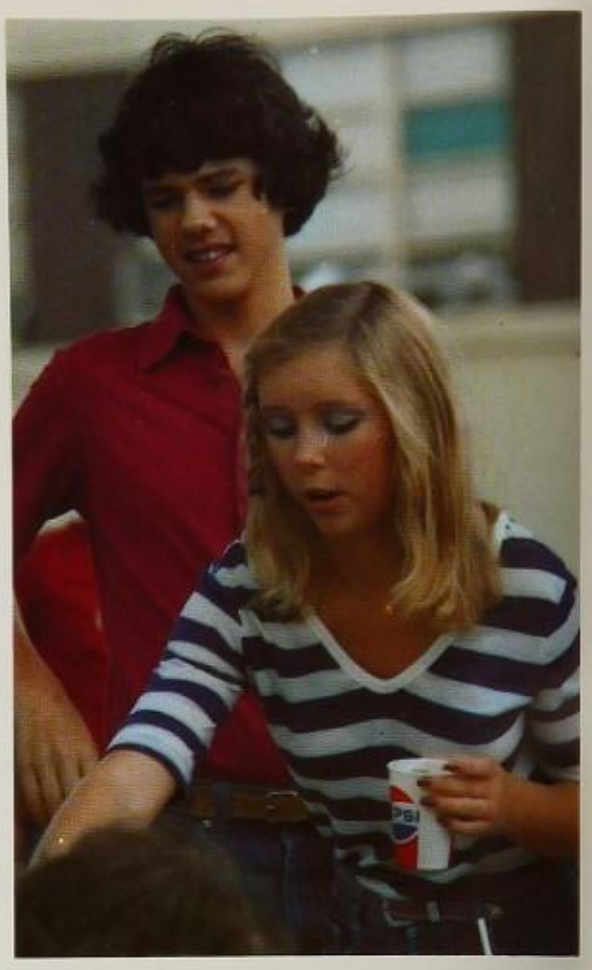
In mid September, McAdory students rocked to the sound of the United States Air Force Band. Taking off with Styx and "Rocking the Paradise," they performed everything from Van Halen and Rick James, to Linda Rondstadt and the Commodores. Even though the musicians were in regulation dress, their music was contemporary rock and roll. The men emphasized that the Air Force has always been the best way to get high.

"Roll Over Rhonda Bebopping Brown"

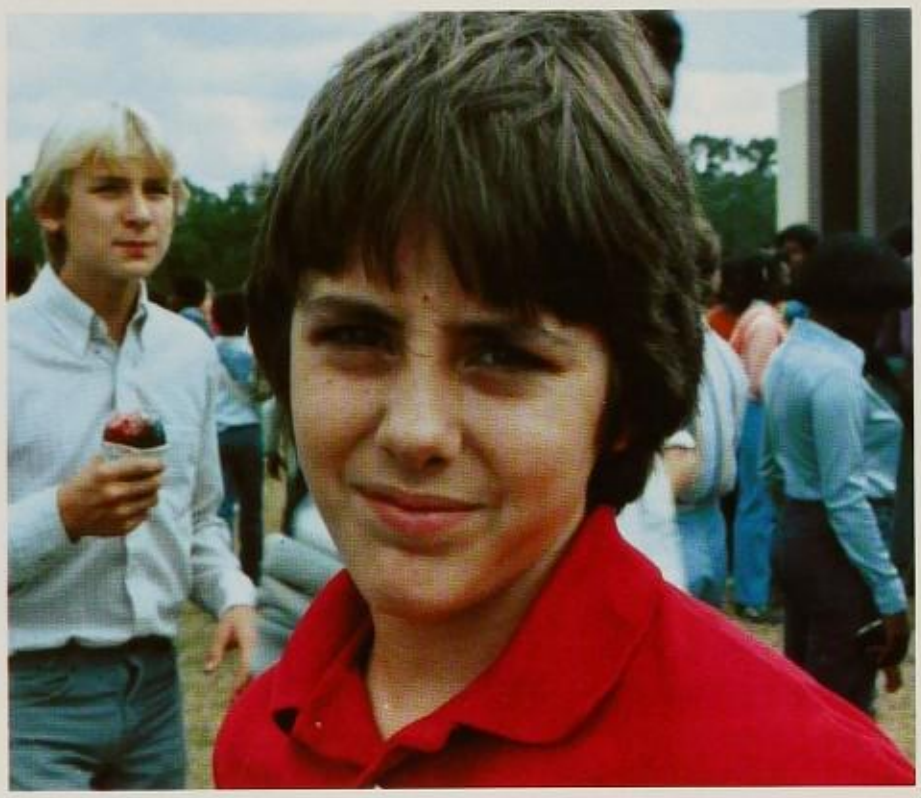
Mr./Miss McAdory

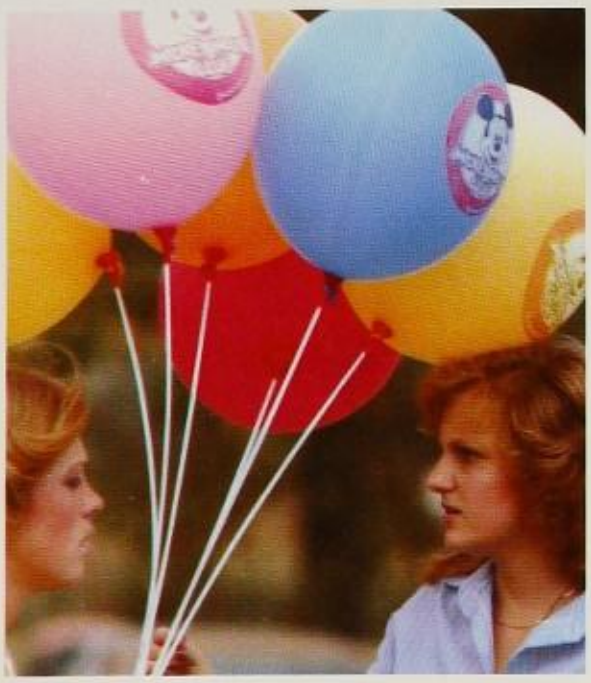
"MacPat" Roberts served as master of ceremonies for a most unusual parade of beauties. Held in the new gym the Mr./Miss McAdory pageant was as unusual as ever. The contestants ranged from Keith Jagger to Roll Over Rhonda Bebopping Brown, who is now the reigning Mr./Miss McAdory.

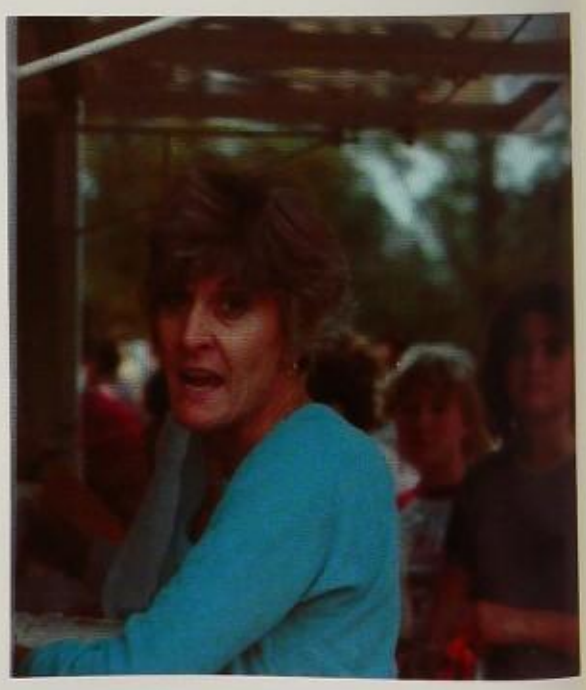
THE FALL FESTIVAL



October 22, 1981 marked the annual McAdory Fall Festival. Clubs sponsored booths and sales in order to raise funds for their respective organizations. Miss Parsons coordinated the festival and as always, it proved to be enjoyable and profitable.







A Place for the Past

So many activities took place in the fall of 1981 that the Annual Staff had problems providing space for all of them. One group, the Senior Advanced Democracy Class, took on the very special task of compiling a complete history of the school. Led by Mr. Larry Baker, the class gathered items from area McAdory graduates and sponsored yardsales to finance the project. Upon completion, the project covered from 1866 to the present and was displayed in the library.

In the Spotlight!

Glitter, hard work, and talent were key ingredients in the 1981 stunt-night productions. All three classes performed superbly to make the two nights of shows both entertaining and exciting. The junior stunt, "Let the Good Times Roll," received a score of 29 of a possible 30 points from the judges, but was penalized three points which placed the stunt in a tie with the Seniors' "Celebration," with a score of 26. The sophomores placed third with their stunt "Those Were the Days."

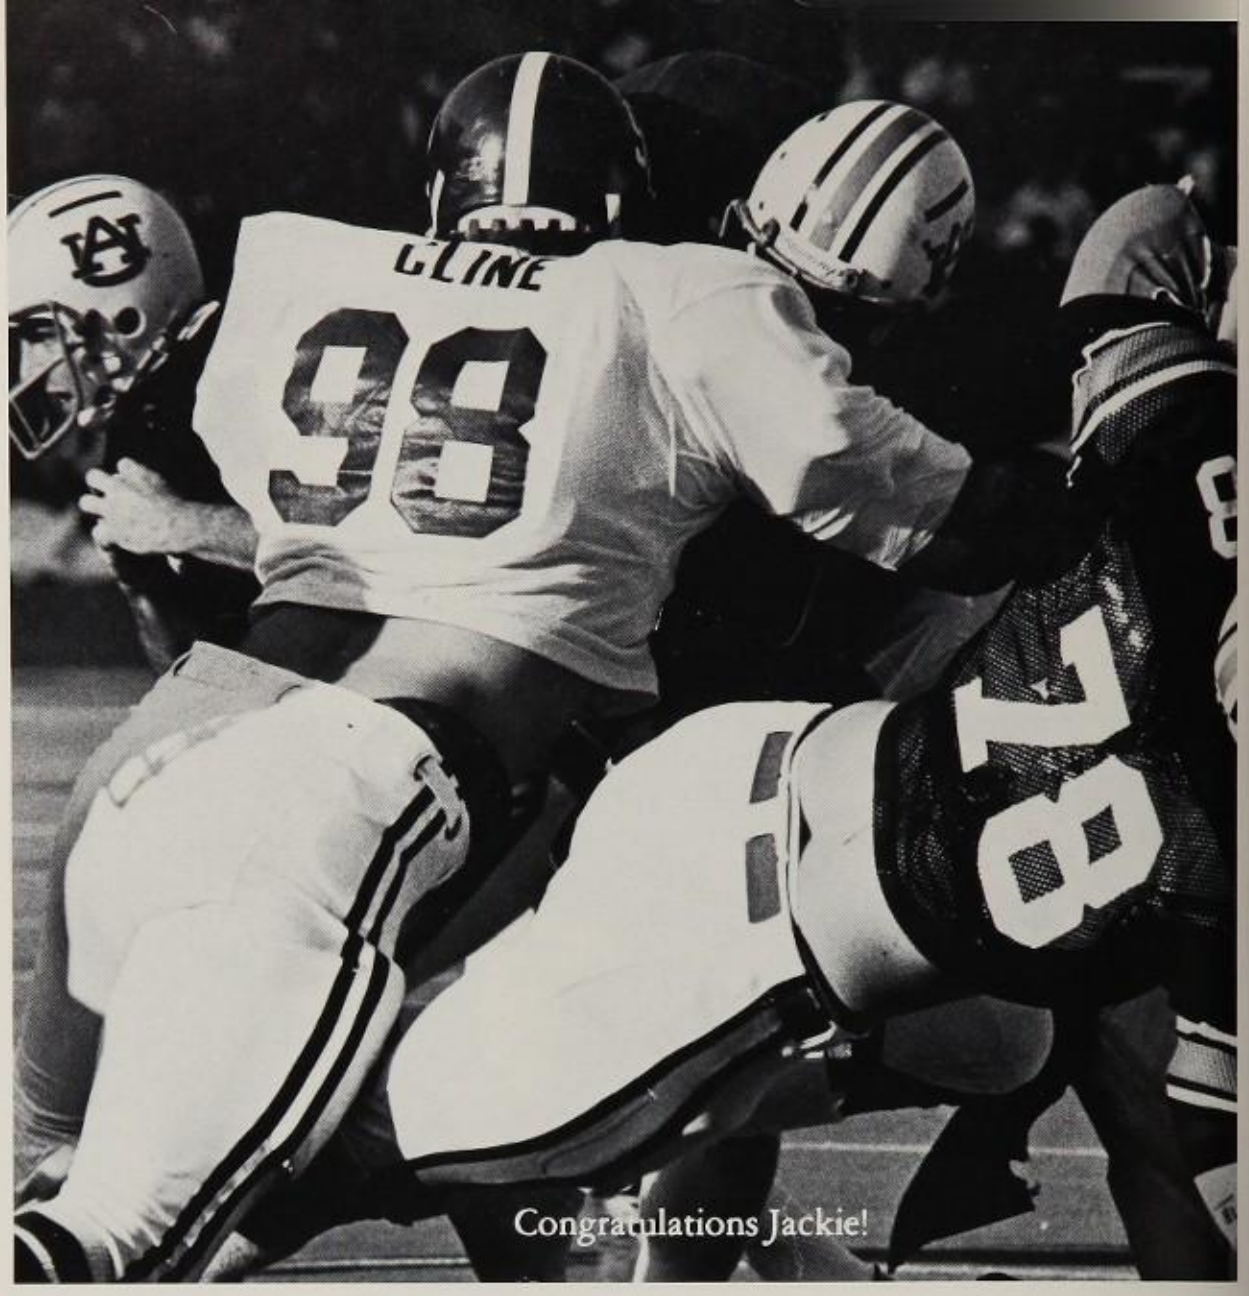
We've Got Tonight . . .

And What a Night It Was!

Held on May 8 at the F.O.P. lodge, the 1981 prom proved to be a very memorable evening for all. As usual, the Junior Class delighted the Seniors with a truly memorable tradition. A special thank you goes to Mrs. Myra Tarver, Mrs. Debra Myers, and the Junior sponsors for their tremendous support in producing a beautiful prom.

The Bear, the Bandit and the Storm

As the fall of '81 came to a close, there were many events that affected McAdory school. One event which was the topic of much of the conversation throughout the fall was "The Year of the Bear." Students and teachers were pulling for the Bear and were expressing adulation for McAdory's own row in that historic event. Of course, they were referring to Jackie Cline who graduated from McAdory in 1978 and who now proudly wears the crimson 98. And then there was the darkroom bandit who took a joy tour through the darkroom and destroyed the Christmas Door Decoration negatives. And of course, there was the winter storm which brought with it an unexpected vacation right in the middle of exams.



Congratulations Jackie!

The Yellow Jackets

1982 Jackets rolled to another impressive season. Their 8-2 season saw dramatic victories over Jones Valley, a 4-A state contender, Oxford and Leeds, both 3-A powers, and cross-town rival Fairfield. After destroying Dora 48-20 for an excited Homecoming crowd, they finished in a three way tie for the area 9 championship. Under the leadership of Coach Dickie Atchison and his assistants Eric Schumann, Johnny Benavidez and Jeff Reader, the Jackets were again a powerful force in 3-A football.

Varsity Basketball

The 1982 Varsity Basketball team took to the courts with the agility and quickness that a small team must have to win; and they won. Led on the inside by Eric Benison, the Jackets fought hard. Coach Reader counted on aggressive defense and heady offensive, and the Jackets came through. The fact that they were young did not halt their progress, and the Jackets again were strong round-ballers.

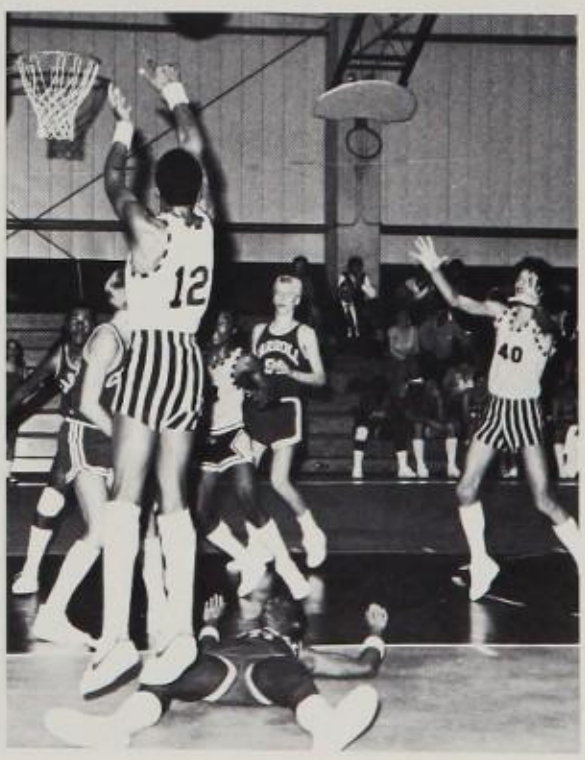
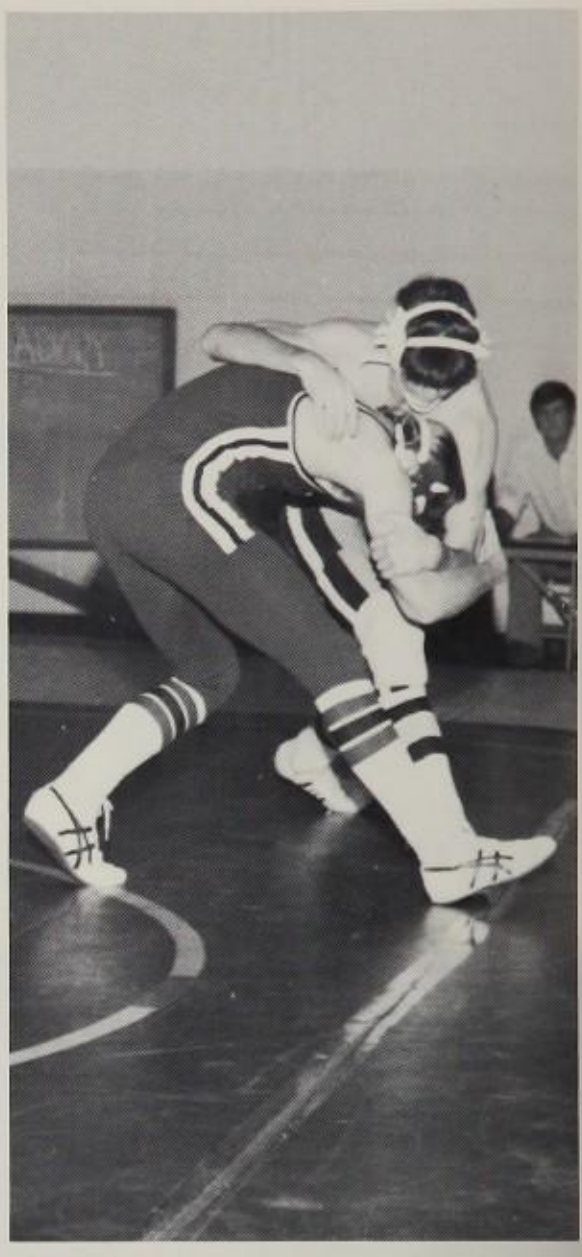
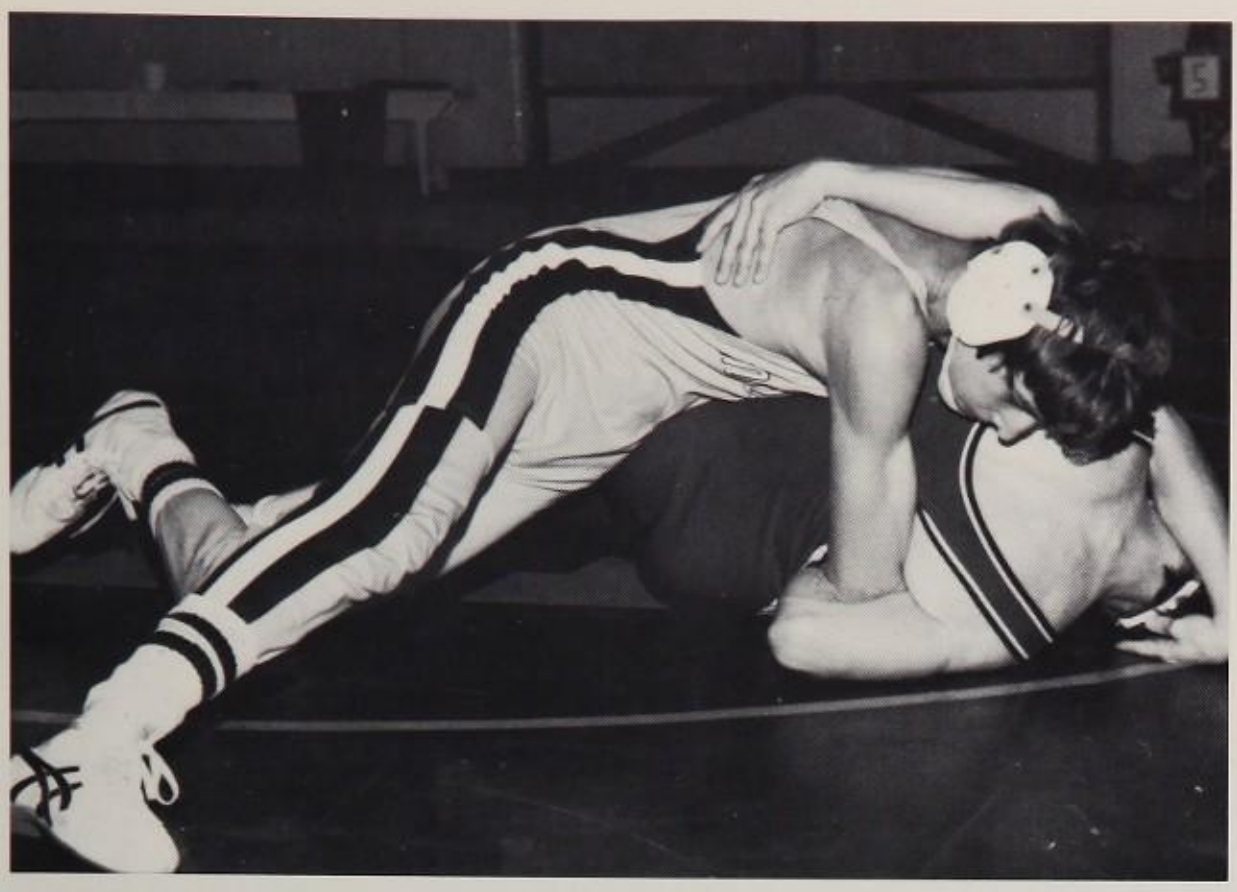
B-Team Basketball

Under Coach Benavediz, the Varsity B-Team, at the time of this publication, had compiled an impressive 7-3 record. They recorded dramatic victories over John Carroll, Brookwood, Pleasant Grove, and Oak Grove among others. Their play was marked by stingy defense holding most of their opponents to under 40 points. Their offense was based on solid outside shooting.







Varsity Wrestlers

The 1982 Varsity Wrestlers hit the mats determined to carry on the tradition of winning that they had inherited. Although they were not large in number they were large in pride. Leading their weight classes Barry Thomas — Senior, Steven Mebius — Junior, and Stephen Brook — Sophomore provided the Jacket fans with many decisive victories. Coached by Joe Powers, the Jackets again entered State level competition in individual categories.

Varsity Baseball

Under Coach Terry Brasseale, the 1981 baseball team rolled to a successful 17-11 season. Behind the strong armed pitching of Dale Burnett, Vincent Jackson, and Rex Todd, the Jackets were strong defensively and their bats were capable of coming to life and producing the runs they needed. When the dust had settled the Jackets were 3rd in the county.

Girls' Tennis

The Spring of 81 saw the girls' Tennis Team dressed in white and ready to fight. Coached by Beverly Huddleston they competed skillfully against area and county opponent.

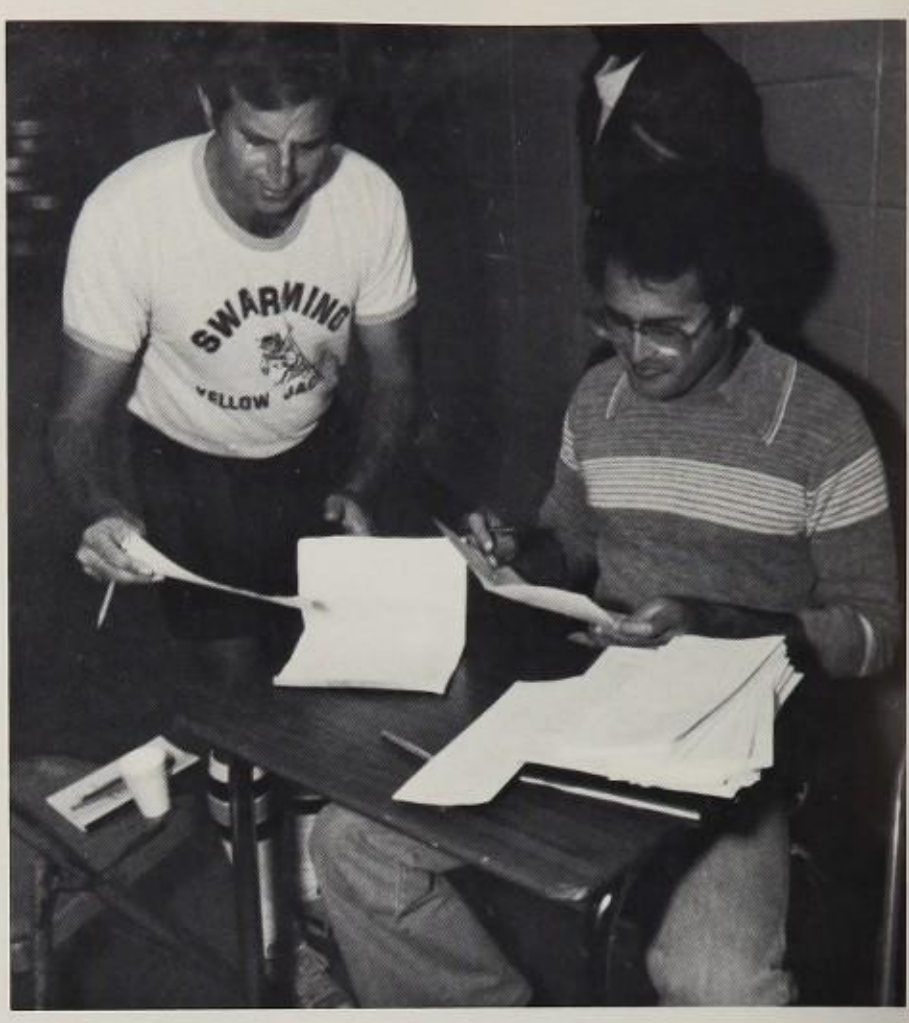
Also in the Spring of 81 a small but enthusiastic boys' Tennis Team, coached by Tommy Holmes, took to the nets and succeeded. The team consisted of Steve Brooks, Rodney Parker, Tracey Nicholson, and Robert Simpson performed well in singles and doubles competition.

McAdory Track



Under coach Dickie Atchison and Johnny Benividez, McAdory has proved themselves in Track and Field. Coach B's girls' track team again led by Mary Harris, although not pictured, proved themselves very competitive, while the boys' track team put together another impressive season. Led by Seniors Vincent Jackson, Leroy Mason, and Edwin Mack, McAdory's track team placed 2nd in the state in 81. We've Got Pride

The 1981-1982 school year marked a year of outstanding improvement for the Yellow Jacket Marching Band. The year began early for the 100 member corps with a two-week camp prior to the beginning of classes at McAdory. The 5-hour-a-day practices allowed the band to prepare entertaining and exciting half-time shows.

The band participated in several marching competitions and received its best ratings in four years, with a total of 3 superior awards. Discipline and hard work provided the background against which the members added spirit, talent, and pride to produce one of the best McAdory bands ever.

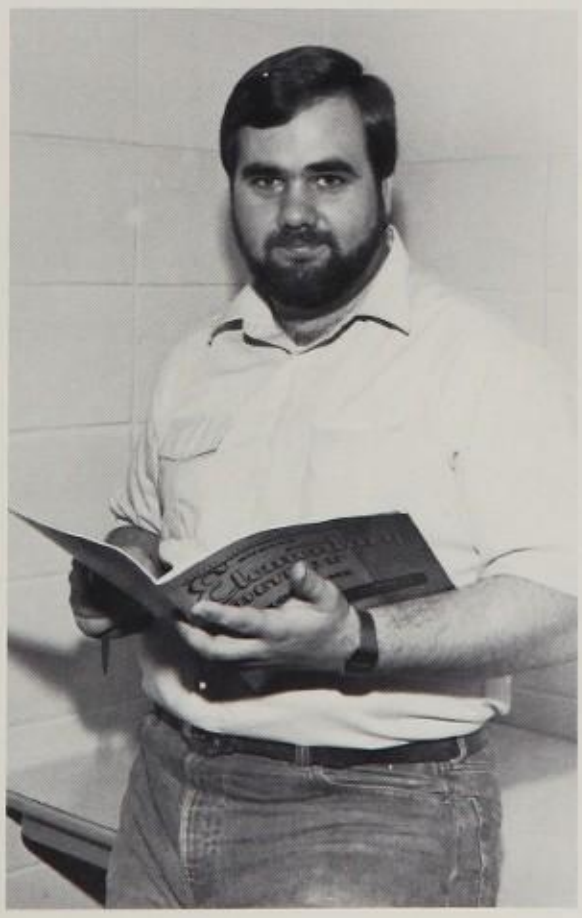
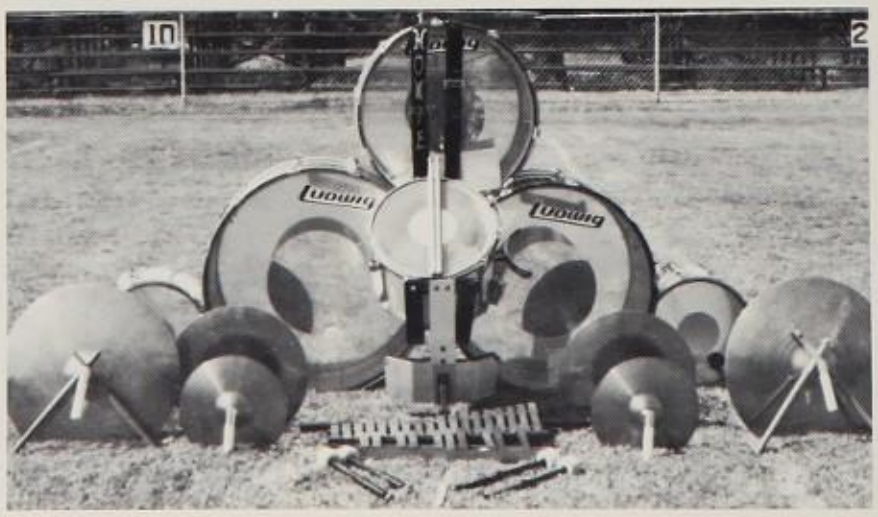
Auxiliary Units

The band's auxiliary units, the majorettes, colorguard, and drum majors, added special qualities of color and excitement to the band's performances this year. The long hours spent in practice and camps by the three groups paid off in successful exhibitions of their outstanding skills, precision, and overall showmanship.

Special Groups

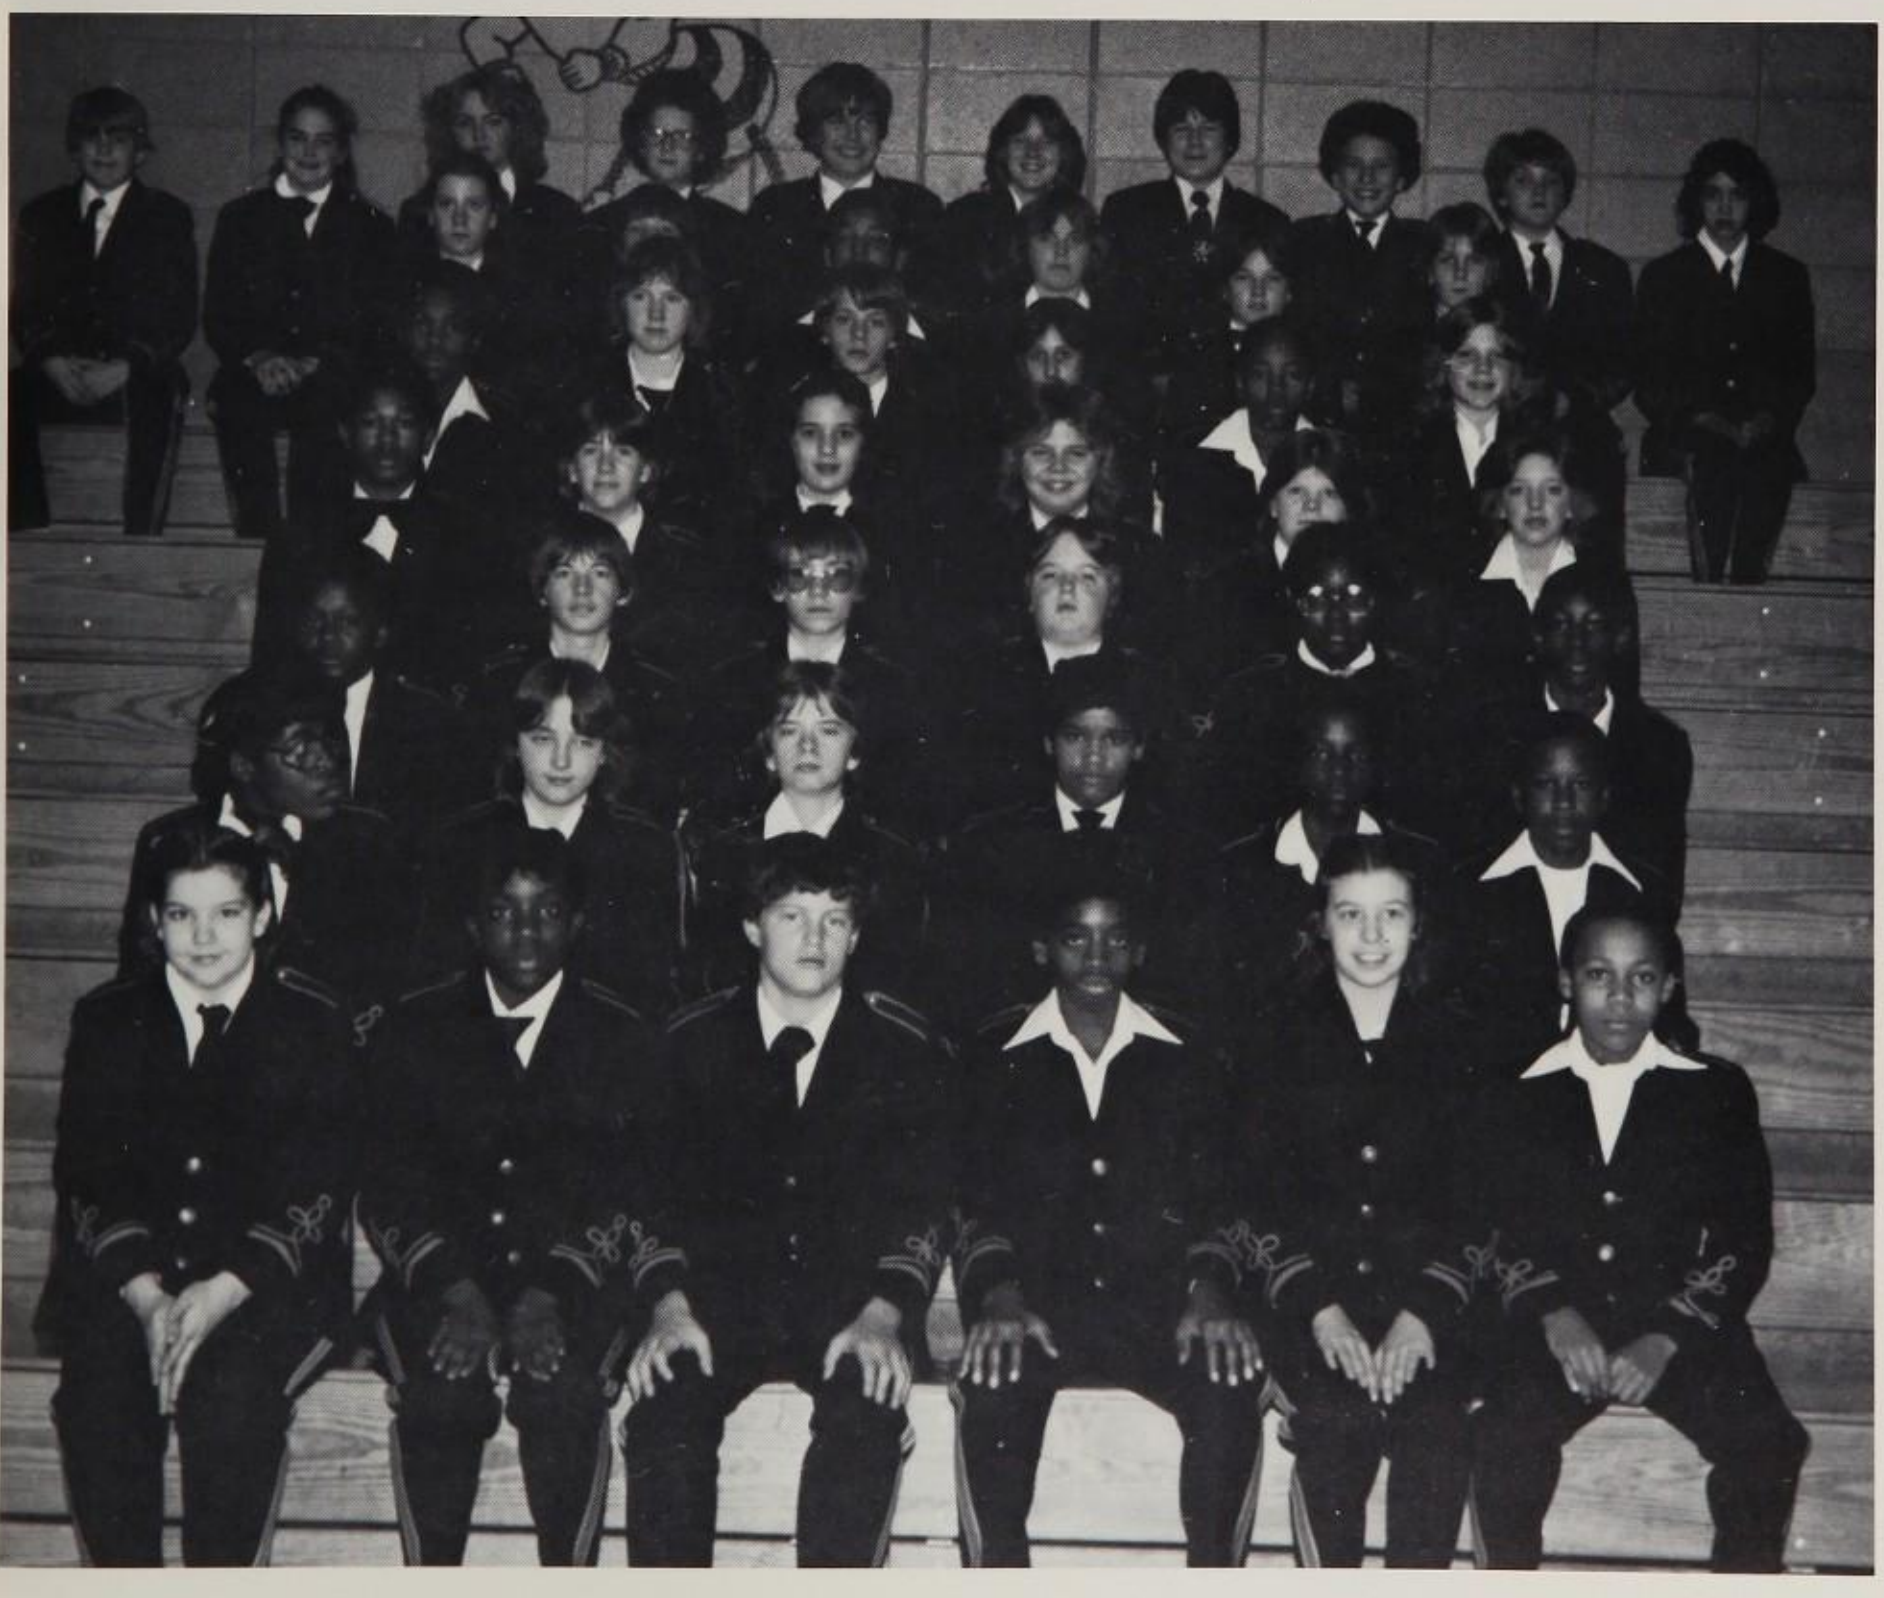
Three essential groups of individuals in the band this year were the Band Seniors, the Band Council, and the Band Directors. The Seniors experienced their last year of participation in band activities, most having performed in the group for almost half their lives. The Band Council provided organization and coordination of the band's activities by working with the boosters and directors. A new addition to the band this year was the acquisition of Mr. Mike Holmes as Assistant Band Director. Along with Head Director Mr. Howard Beckner, the two designed shows, conducted rehearsals, and provided professional instruction that aided the band tremendously in its efforts to produce entertaining musical productions.





In Step . . .

Throughout '81-'82 the Jr. High Band worked hard to master the requirements of basic marching and concert band music. Directed by Mr. Mike Holmes and Mr. Howard Beckner, these seventh and eighth graders highlighted their year in a performance on the field at a varsity football game.



Senior High Choir

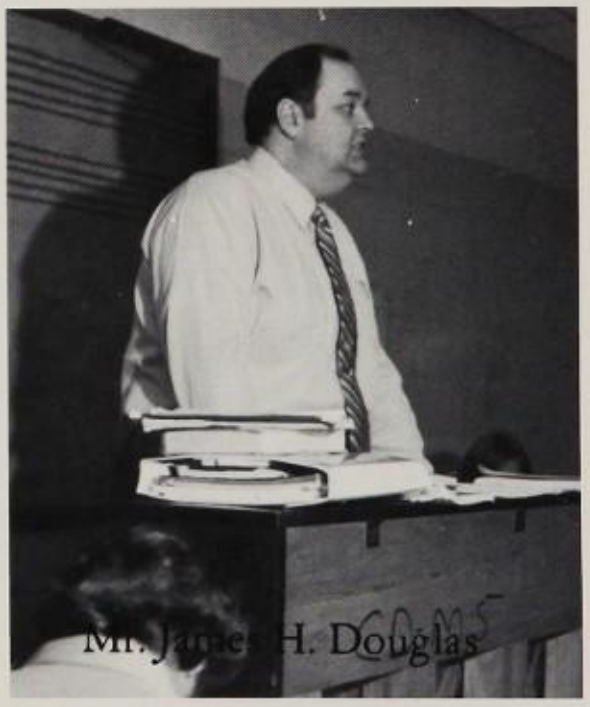
Junior High Choir

Sing!

The Junior and Senior High Choirs were integral parts of the fine arts department at MHS. Under the direction of Mr. James Harry Douglas, the choirs were presented at various concerts and programs throughout the year.

McAdory Singers

The McAdory Singers were the elite choral group in 1982. Besides scoring superior ratings at district contest, the ensemble performed at various school functions, and were highlighted in the Christmas and Spring Choral Department Concerts.



Mr. James H. Douglas

Olé!

Since its conception in 1978 the MHS Spanish Club doubled its membership. Sponsored by Mr. Vanessa Carter, this organization was designed to orientate students in the Hispanic culture and language. In 1982 the goal of the club was to combine projects, programs, and classes in order to provide a keener understanding of Spanish as a whole.

Officers

French Club

Although a smaller group than the Spanish Club, its sister organization, the French Club also broadened its members' understanding of the Romantic Language. The Members' dedication to the mastery of a second language provided a worthwhile learning experience.

Achievers

The 1982 chapter of the National Honor Society was kept busy in various service projects over the course of the '81-'82 school year. Besides participating in a historic project with the Alabama State Department at Tannehill and visiting area nursing homes, the group raised enough money to provide a $25.00 scholarship for each of the college-bound members.

Key Club

The establishment of a new organization at McAdory this year was brought about by the inception of the Key Club. Chartered with Mr. Tommy Holmes as sponsor, the group was affiliated with the Kiwanis Club, an international service organization. Members were selected on the basis of their qualities of leadership, scholarship, and high standards of character. Each week two members participated in a luncheon with area Kiwanians at Best Western Motel.

Alpha Omega Hi-Y

The 1982 chapter of the Hi-Y was very successful in fulfilling the goals of its members. These were attained through several worthwhile community projects such as the financial support of orphaned children in Arizona.

Tri-Hi-Y

The Tri-Hi-Y was not, perhaps, as active a group as usual in 1981-1982 due to the absence of their sponsor, Mrs. Debra Myers. However, the club unerringly maintained the high standards of character and values that are the basis of this service organization.

Future Business Leaders

One of the largest clubs at McAdory this year, the FBLA established itself as one of the leading chapters in the state. With department head Susan Pearson leading the group, the members participated in District and State FBLA Conferences, toured area corporations, and coordinated many worthwhile projects.

Merely Players . . .

The Drama Club, sponsored by Mr. Sam Staggs, presented several quality productions in the 1981-1982 school year. One of these, "Love and How to Cure It," by Thornton Wilder, was prepared by members of the group for a county-wide competition. The players also studied debate techniques and conducted several class debates during the year.

Officers

An integral part of the circle of responsibility here at McAdory has always been the Student Council. The council which has never been a club, but rather a service organization in the truest sense of the word, has always been responsible for the student activities at MHS. These dedicated individuals, led by their sponsor, Mrs. Christi Hall, not only have organized the student events, but also have operated the sound system at such functions as the Beauty Pageants, Stunt Night, and Graduation, in addition to the numerous activity periods. Furthermore, they directed the school elections and were responsible for the daily devotions and the morning pledge of allegience.

Larry Baker — 20

Somewhere amidst all the madness of a high school, there has always been an element of stability which perhaps has kept the whole system intact. This element, the faculty, has always been a very necessary part of McAdory High School. Our teachers have taken on the important responsibility of educating young people not only in reading, writing and arithmetic, but also in living, being, and growing. In 1981-82 it was a job that took more than anything else, patience. One faculty member said, "You just have to love people."

These teachers have been involved in carrying on a tradition of unselfish dedication. From the oldest to the newest, the members of the staff at MHS have proven themselves professionals who were devoted to molding the future. To spotlight their service and dedication, the Yellow Jacket staff has presented them chronologically according to years of High School service to McAdory.

For the Good of All

In her fourth year of service, Mrs. Nell Salamone has continuously endeavored for the good of all. Her capable staff of Frank Green and Norman Payne, have labored tirelessly with a compassionate concern for each student's needs and firm dedication necessary to produce and maintain a proper learning environment. Their efforts insured that McAdory High would operate efficiently and productively.

The technical operation of the school was directed by aides Marjorie Cottingham, Mary Fountain, Evelyn Goodwin, Ailene Adkins, and Anita Perry. These ladies saw to it that the office and library were run smoothly.

Some philosophers of education say that what we need in education is light, light, more light, but instead I think that what we need is warmth, warmth, more warmth. It is not the darkness of the night that kills — but the cold.

The job satisfaction that I receive from helping my students achieve their goals surpasses any of the rewards that I would have obtained in another field. When things look the worst, I look back to successes which remind me that I have had a little to do with helping some students and this motivates me to try to be a positive influence on all my students' lives.

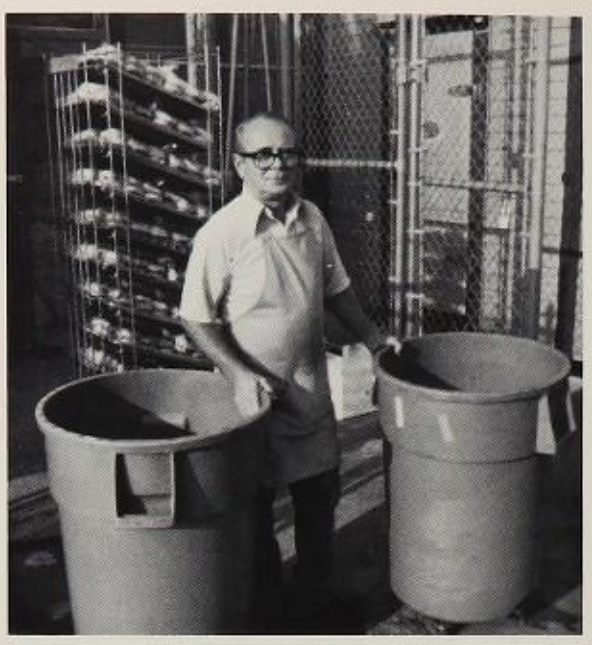
Promoting Futures

1982 was a successful year as far as the MHS guidance office was concerned. Ms. Vines and Mrs. McRoberts smoothly conducted the scheduling and transition to new classes. Quite a few scholarships were won by Seniors through the hard work and counseling of these two ladies.



The support staffs have always been important to a school and McAdory has three of the best anywhere.

Our lunchroom staff, headed by Mrs. Kay Bailey, has upheld the standards of excellence which have made them famous. The staff members for 1981-82 were Carolyn Abbott, Kay Bailey, Threcia Ann Burnett, Gwendolyn Byrd, Ouida Chapman, Arlene Colston, Carol Cone, Ruth Doyle, Barbara Clevenger, Don English, George Gravitte, Louise Hamaker, Joyce Hocutt, Edith Ledbetter, Louellar Lindsay, Margie McCool, Joyce Moses, C. E. Murphree, Ruth Sanford, Helen Shelton, Gwen Moore, Linda Woods, Dean Yawn, Phillip Burnette, Eva Clevenger, and Barbara Smith.

Another important crew at McAdory has always been the bus drivers. The drivers for the 82 school year were Olga Baggett, Larry Baker, Karen Carlee, Stan Chaney, Dorothy Davis, Zack Davis, Pat Diffley, Robert Dollar, Randy Haught, Tom Holmes, Clara Howton, Alice Lightsey, Richard Mize, Judy Stephenson, John Swiney, Shirley Tate, Fay Wilder, and Sid Bryant. The new director, John Swiney, has done an excellent job. He was aided by a hard working group consisting of Kathy Fallin, Kristy Roy, Teresa Lee, Kim Humphries, Cliff Reed, Frank Hopkins, and Wally Lee (not pictured).

Last but not least of the support staffs for 81-82 were the janitorial crew. Although there were only five of them, they performed flawlessly. They were responsible for keeping the entire campus clean and providing heat for all buildings. They were Dan Byrd, Thomas Henton, Carolyn Byrd, Janet Collier, and Helen Wilkerson.

impatience . . .

For the Juniors, 1981-82 was a school year of pep rallies, class rings, Stunt Nite and proms. In their spirit they were a force to be reckoned with, winning the spirit stick at two important pep rallies. Although certainly impatient to begin a super senior year, it didn't hinder them from taking an active roll in all school activities.

We never thought this day would come,
yet, it is here at last;
The football games, the proms, and such
are now a part of our past.

We'll always have our memories,
caught in the backs of our minds;
Some of the memories we will keep
and others we'll leave behind.

Each glance, embrace, and special farewell,
will draw a tear in every eye;
As we look at our friends once more
and sadly bid good-bye.

There never will be a time or place,
where we will again be one;
So bless us lord and let our light
shine as brightly as your son.

We must take our places in the world,
whatever they may be;
And search one's soul and ready one's self
for life's true destiny.

We thank you god for the wisdom and strength,
that has helped us make our way;
And be with each and every one of us
until we meet again some day.

The world is now an open door,
and each will go his own way;
As we, the seniors of '82,
say thank you and farewell on our graduation day.

Tammy Rogers

Look around you — and see the changes that
We've gone through, and after all this time.

Look around you — and see the circles of
Friends we formed, and love was born.

We let the partiotism flow,
We let the good times roll,
We symbolized what we realized
A long time ago.
Look around you — and see on every face
Love we shared — we always cared.

It's a circle of love,
Our circle of dreams,
We're a circle of hope
And life goes round.

So before the last song,
Before the cliches
Before the goodbyes
Before we go our ways . . .

Look around you — and see the reflections of
The times we laughed, and the times we cried.

Look around you, the sun of childhood slowly
Sets for us. Where has time gone?
Where has time gone?

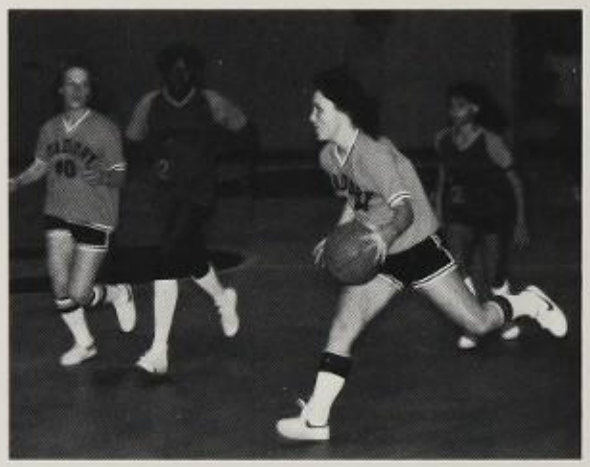
The ideas that we have captured for you in the 1982 Jacket are the hopes, dreams, sounds, visions, feelings, and realizations of over half a century. Our task has not been simple and many long hours have been spent at it. We've argued, laughed, cried, and united in our efforts to present an accurate, quality record of the '81-'82 school year. We feel it is the best ever.

As the year comes to a close, we wish to especially thank those whose cooperation pulled it all together. These include Belmont Studios, Tannehill State Park, Mr. Roy Gilbert, Mrs. Elaine Pack, and Mr. Art Ward. Also, an unpayable debt of gratitude is owed to some 25 annual staff members and the advisor who kept us going, and to the McAdory faculty, for simply putting up with us. But most of all, thank you MHS, for the best years of our lives.

May the black and gold ever wave!

"Lori and Scott

Photo by Tammy Rogers



In 1925, in the office of McAdory School, a rusty old duplicator machine coughed out the first volume of the Yellow Jacket and a circle of love had begun.

That was 57 years ago and the circle goes on. Times and traditions change, people come and go, friends are made and forgotten, sights and sounds vary . . . yet the cirlce remains.

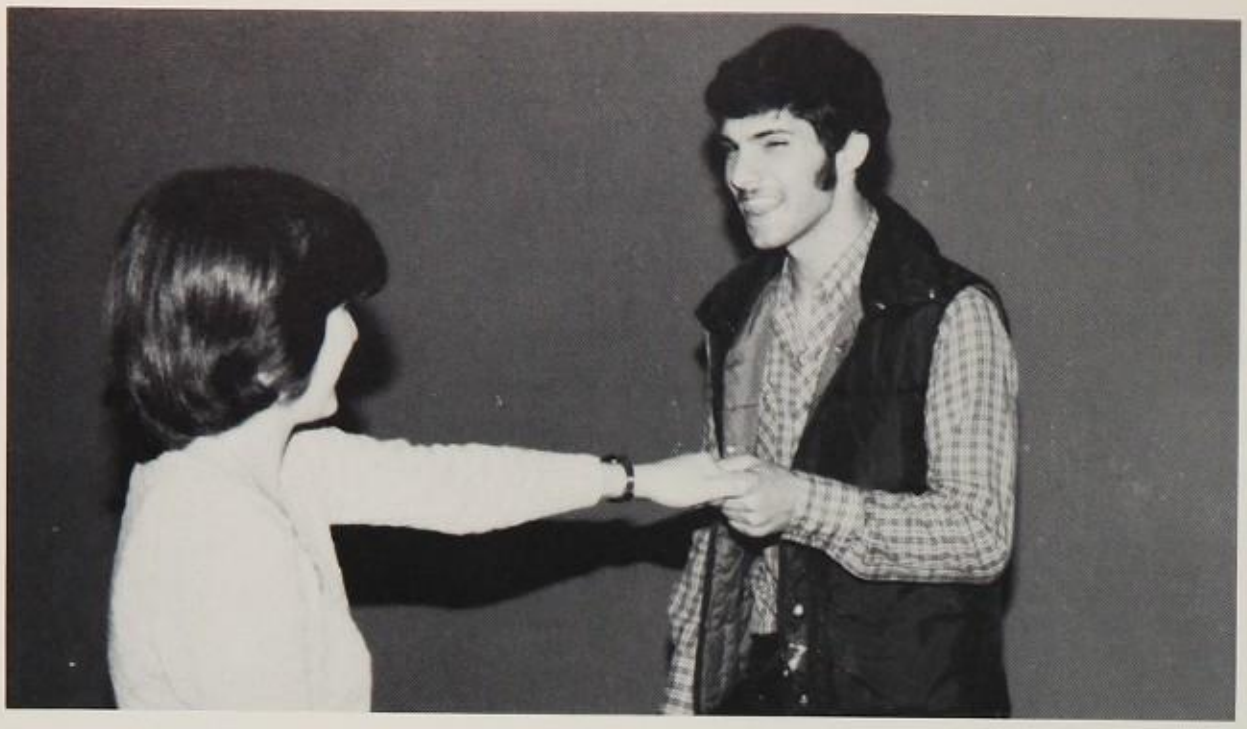
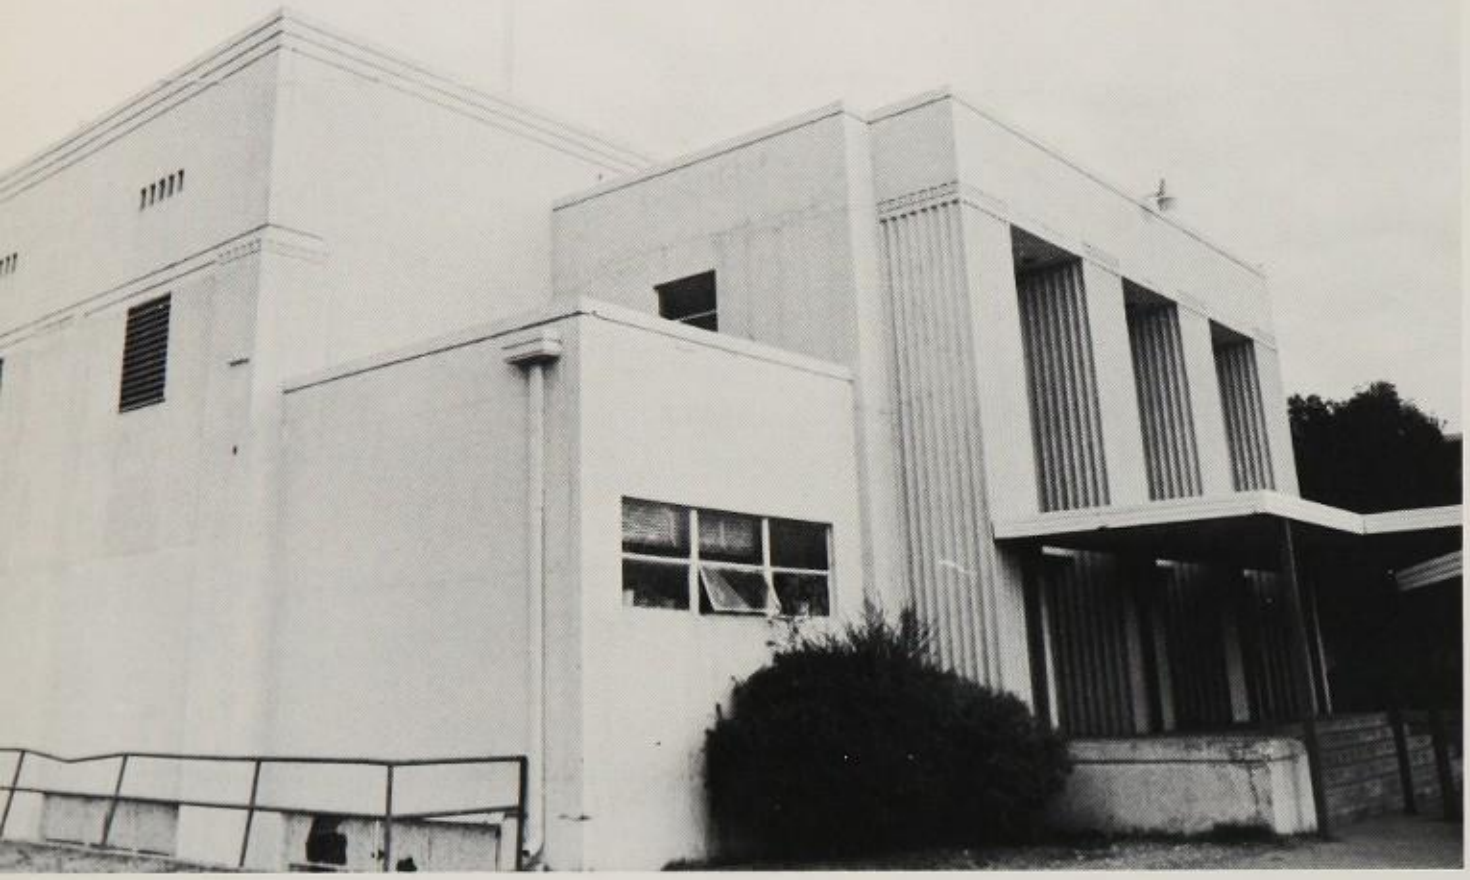
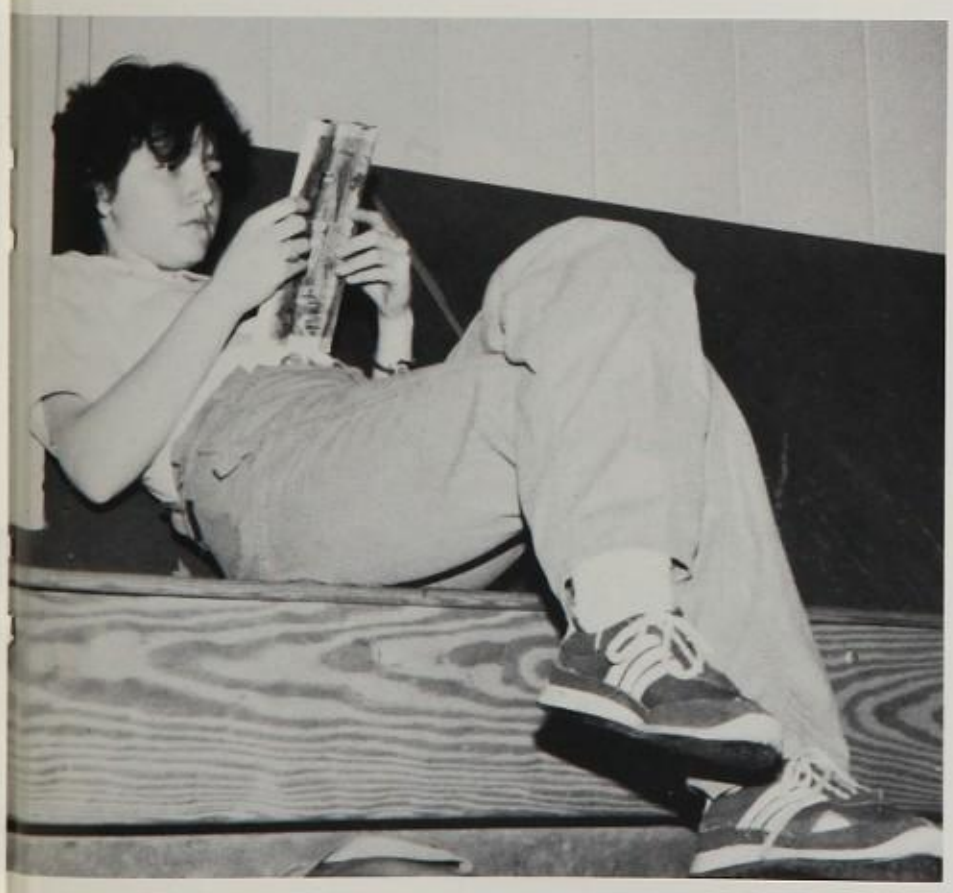
. . . A circle which encloses a heritage that has endured fires, depressions, wars, and decades of turbulence and social upheavel . . .



It is a circle of people who care . . .



It is a circle of constant enrichment.



Like the oaks that have towered over the front lawn for 50 years, the circle remains and grows . . . "uniting what was with what is and what will be."
